1 to 3 pm: Tour of local project(s)

**Mission Statement:** The Wildcat–San Pablo Creeks Watershed Council is a forum for consensus planning among various agencies, citizen’s groups, and individuals and is a resource for those who seek solutions to technical, management, monitoring, and funding issues for the Wildcat Creek and San Pablo Creek watersheds. This group evolved out of the Wildcat/San Pablo Creeks Design Team, which was originally formed to oversee the design and construction of the USACE projects on Wildcat and San Pablo Creeks in 1985. Discussion at these meetings includes review of watershed issues, project updates, goal setting, developing plans to meet those goals, and securing funding for those plans. On March 20, 2001, the County Board of Supervisors recognized this Council as the coordinating body for issues in the Wildcat Creek and San Pablo Creek watersheds.

#### Directions to meeting:

*From I-80–* exit San Pablo Dam Road, go west on San Pablo Dam Road, and then right onto San Pablo Avenue. The San Pablo Library is the large orange building on your left after Gateway Avenue (before Church Lane). Park in the library’s parking lot, or there is parking in the neighborhood if you are willing to take a short walk.
